TPRS Textile Protection Sleeve

Technical Description: Extremely durable and flexible nylon woven sleeve designed to protect hose, cables and wires from abrasion.

Temperature Capabilities: Rated for 180°F (82°C) continuous exposure and has a maximum melting threshold of 415°F (213°C).

Product Overview: In addition to having excellent resistance to UV, atmospheric agents, moisture, and ageing, making it ideal for outdoor use.

Property Data: Abrasion resistance: Meets or exceeds ISO 6945 Abrasion Standard
Toxicity: Non-Toxic
Standard Color: Black
Material: Polyamide 6
Approved by MSHA for use in underground mines as per IC 171/1

CFVS Fire sleeve - Glass fiber knitted sleeve with red silicon coating

**Feature:**

- Glass fiber knitted sleeve as CAFV
- Silicon wall thickness: 1,5 mm
- Self-extinguishing: < a 90 seconds
- USHM e ASTM C 542
- Halogen free
- Max temperature 260°C - 2 minute at 580°C - SAE J2006

CTA **HY-CAP™ - Heat Shrink PVC Caps**

An alternative to the normal plastic dust caps.

Heat shrink caps to keep your hose assemblies free from contamination, from assembly production, to installation.

Feature:

- Material: thermoplastic tube in rigid polyvinyl chloride (PVC).

Advantages:

- Range: only 6 sizes required to cover upto 1" irrespective of thread type
- Simple re-ordering: 6 items only to order / monitor stock levels.
- Available with personalised logos and different colours.

Storage: no more stocking of hundreds of different types of plastic caps.

Environmentally friendly: less plastic to be recycled, no dangerous components.

Heat shrinking times about one second.

part number			Hexagonal sizes covered	Packaging (min qty)	List Price

* Box quantities range from a min of 5000 pcs up to a max 10000 pcs.

Also available in green, to order use code: CTC..... (example code CTC2535AA).

HSM Heat shrink machine

H SMA1

H SMA2

H SMB1

Feature:

- 220 Volts (1000 watt)
- Material: stainless steel

Versions:

- Table mounted (H SMB1)
- Manual, with or without base support stand (bss) (H SMA1 and H SMA2)

Part number	Version	 Kg	Dimension (mm)		Net Price
		Weight	A x B	h	£
H SMA1	Manual, without base	1,5	240x100	240	
H SMA2	Manual, with base	2,0	240x180	320	
H SMB1	Table mounted	3,0	480x150	220
